'In victory, you deserve Champagne; in defeat, you need it.'

Napoleon Bonaparte

One of Australia's best known, emblematic winery, maker of one of the country's most iconic wines, the Penfold's Grange, widely considered Australia's 'First Growth' and its most collectable wine. Grange has been produced every year since 1951, using the best fruit examples from Penfold's vast collection of vineyards.

The Century is proud to have two of the earliest Grange vintages, the 1954 & 1957, considered truly as a rare collector's item.

The 2008 vintage again elevated Grange to worldwide prominence and frenzy, with 100 points awarded by The Wine Advocate in the US. The last time a bottle of Grange scored 100 points in The Wine Advocate was the 1976 vintage.

Burgundy 勃艮第 – Pinot Noir 黑皮諾

Pinot Noir is the main grape variety used in Burgundy. Red Burgundy is young, fresh and gentle in its youth and evolves into smoky, beefy, lavender complex wines. Red wines from top Burgundy producers such as Domaine Romanee Conti are amongst the most expensive wines in the world, valued greatly by wine connoisseurs. Pinot Noir matches very well with Cantonese cuisine, particularly when paired with Whole Roasted Duck or Peking Duck. Other dishes that go well with red Burgundy include Salmon Sashimi, Crispy Skin Chicken with Ginger & Shallot, Salt & Pepper Pork Ribs and Barbequed Quail.

In 1855, Château Haut Brion was rated a Premier Grand Cru Classé, and is the only 1855 First Growth wine located outside of the Medoc. The unique terroir was prized for growing grapes to produce Bordeaux wine close to 600 years ago. Haut Brion has complex aromatics relative to other Bordeaux wines, with all the earthy, tar, leather, smoke, cassis and spice. Usually ready to drink at a younger age but ages with complexity and grace as well.

Château Lafite Rothschild 拉菲酒庄

Chateau Lafite is one of the most powerful wine producers in the wine world. Heralded as the King among Kings, this first growth is surely more equal than others. Lafite Rothschild has a long and interesting history dating back to 1234! The demand and popularity for one of the best wines in the world resulted in October 2010, when during a public wine auction in Hong Kong, a bottle of 1869 vintage was sold at a record breaking USD 230,000

The Century is honoured to have possession of a single bottle of the 1825 vintage as a highlight of its wine collection. The collection of vintages below has been carefully selected to represent the great vintages of Lafite. The 1982 and 1986 vintages have been awarded 100 points by the world's most prominent wine critic Robert Parker Jr!

Do not miss our little secret treat from the makers of Chateau Lafite, when Domaines Barons de Rothchild [Lafite] made a 2009 vintage 'Private Reserve' for Golden Century under the supervision of DBR [Lafite] oenologist, Diane Flamand. This classic Bordeaux style of Cabernet Sauvignon, Cabernet Franc and Merlot best represents the fantastic 2009 vintage with dark berries and a fruity, long finish.

Château Latour 拉圖酒庄

One of the original First Growths in 1855, Latour's reputation for making consistently outstanding wine continues to this day. Production of Latour has been declining over the years and the quality, concentration and complexity has been increasing, even in less than ideal vintages years. Latour engages in biodynamic techniques to avoid polluting the soils. Nowadays Latour remains one of the most concentrated, rich, tannic, and full-bodied wines in the world. Wines from Latour will age well for 30-50 years.

Château Mouton Rothschild 木桐酒莊

'Premier je suis, second je fus, Mouton ne change' (First I am, second I was, I Mouton do not change.) This slogan shows on the front of every label on every bottle of Mouton since 1973. After 118 years, Mouton was elevated to First Growth status in 1973, and it became the only Chateau to succeed in changing the 1855 classification! Mouton has the most flamboyant style of wine of all the First Growths, with Asian spices, opulent textures and the ability to age and evolve for decades. A different artist is commissioned every vintage to create a unique label with artwork by some of the world's greatest painters.

Margaux 瑪歌

Château Margaux 瑪歌酒莊

One of the most famous names in the world of wine, and was one of four wines to achieve Premier Grand Cru status in the 1855 classification, the birth of Margaux dates back almost 1,000 years! The estate was known under the name of 'La Mothe de Margaux' in the 12th century. The style of Margaux at its best, blends elegance, purity of fruit, harmony and finesse. This suave wine is not light but rich and full bodied.

Château Léoville-Las-Cases 雄獅酒莊

Should a reclassification of Bordeaux's 1855 classification take place, Léoville-Las-Cases, would merit and receive serious support for First Growth status, says Robert Parker. Léoville-Las-Cases produces a structured style of Bordeaux rouge. In the best vintages, people with the patience to wait 20 or more years necessary for them to develop and mature will be duly rewarded.

Rhône Valley 羅訥河谷 – Shiraz, Grenache & Blends 西拉, 歌海娜混釀

The Rhône Valley is a huge, diverse, viticultural area. The range of wines produced is as large as the appellation. The Rhône is generally divided into two sub-regions with distinct vinicultural traditions, the Northern Rhône and the Southern Rhône. The greatest grapes of the Northern Rhône are limited to Syrah (also known as Shiraz) for the red and Marsanne, Roussanne, and Viognier for the whites. The southern sub-region produces an array of red, but the grape that dominates the region's most profound wines is Grenache, and often blends of several grapes such as in Châteauneuf-du-Pape.

Château d'Yquem was the only wine rated Premier Cru Superieur in Sauternes, the only one wine in the world that is the undisputed best wine in its type, the only wine that almost everyone, everywhere agrees stands heads and shoulders above every other wine in the appellation. This wine always need at least 20 years to mature, but definitely 50-80 years for the perfect year!
